Hi Officer Ramirez and Sgt. Davis,

I wanted to reach out with some concerns about Seily Rodriguez Park on [5707 Lexington Ave.](#)

We recently heard from some neighbors that the park is becoming a hot-spot for gang activity and drug use. This morning some of the folks even managed to lock the park and close it off from public use while they engaged in questionable activities.

I reported the site to R&P for a general cleanup because the place is riddled with graffiti and has become a serious blight to some of the neighbors. I realize that many departments need to be involved in improving this area, so while I engage with R&P, I'd also like to request that this location be put on your radar for increased patrol.

Please let me know what you would need from me in order to get more security around this area. I am happy to help in any way that I can.

I look forward to your response.

Best regards,  
George
